

TaxBot

TaxBot helps you manage complicated taxes by tracking your expenses and automatically tracking your mileage.

How to Refer a Customer:

TaxBot services can be purchased at: member.tranont.com/signup. Select "customer," then "TaxBot." TaxBot is available in the Wealth CORE.

"I have been using Taxbot since 2014. I love sending the organized report to my CPA showing my exact mileage, income and categorized expenses. Thank you Taxbot for continuing to make my life easier as a small business owner." -Melissa M.

Features:

- Mileage Tracking
- Expense Tracking
- AuditSafe™ Reports
- TaxBot Rewards
- TaxBot University

* As of September 2018

Talking Points:

- Automatically tracks your driving mileage
- Automatically matches your receipts to bank transactions
- You'll never need to spend more than 12 minutes a month approving expenses and mileage
- Save tons of time by automating your expense tracking, so you can focus on building your business
- One of the only accounting products that focuses on IRS and CRA compliance
- Print off your free AuditSafe™ Report at the end of the year to make tax preparation easier
- Get paid \$25 for each friend you refer to TaxBot
- Online video course simplifies tax deductions and strategies for self-employed individuals
- Simple reports for your CPA
