

[Vibe]

[Vibe] B vitamin provides you with true energy and clarity to make it through the day.*

Take 1 capsule in the morning with food and 1 in the afternoon with food as desired. Take additional capsules as needed. With the increase of blood flow near the skin, you may experience a niacin flush that lasts a few minutes.

As with all dietary supplements, if you are pregnant, nursing, have a health condition, are taking medications, or have any questions, consult a healthcare professional prior to use. Keep out of reach of children.
